ROBERTO GUERRA
Front End Developer

Hialeah, FL | (786) 230-6018 |
contact@robertoguerra.info | **Portfolio** | **GitHub**

PROFILE

Self-taught Software Developer specializing in Front End Development. I'm passionate about building websites, and programming in general, and am eager to learn whatever is necessary to further perfect my craft.

TECHNICAL SKILLS

FRONT END	GENERAL	VERSION CONTROL
HTML 5	Python 3	Git / GitHub
CSS 3	Kivy	
JavaScript		

PORTFOLIO PROJECTS

Exhibition Site
This was originally my test site, where I would try out different ideas and concepts. I've now converted into an exhibit site where I showcase the results of my experiments.
View Site

SpaceX Fanpage
A SpaceX fanpage describing all of their current rockets, also including the potential Starship rocket.
View Site

Club Vision
Fictional club website showcasing fun and entertaining effects and background videos.
